Hiding Place

**Song
Lyrics**

You Shall Go Out With Joy

You shall go out with joy and be led forth with peace
The mountains and the hills will break forth before you
There'll be shouts of joy and all the trees of the field
Will clap, will clap their hands

And all the trees of the field will clap their hands
The trees of the field will clap their hands
The trees of the field will clap their hands
While you go out with joy

The Lord said He'll answer,
all of our prayers
When we cry out in His Name
His name is power, awesome to behold
Give glory and honor
and praise unto His Name
